

# COURSE PLANNING FOR PARENTS

Wednesday, January 11, 2017, 7:00 pm  
ETHS Welcome Center (E112)

ETHS Parents Engaged is hosting a meeting on course planning for the parents of current freshmen, sophomores and juniors in advance of course selection in late January.

Students will begin meeting with their counselors after final exams to begin course selection for the 2017-18 school year. Parents can ask questions at this event so they can have informed discussions with their students about options and strategies.

Departmental representatives, members of the counseling staff, and experienced parents will be there to answer questions and share perspectives. The event will begin with a Q&A panel, where parents may ask general questions about courses, followed by an opportunity for parents to talk to staff and students in small groups about their students' options.
